Information for USAGSO Locations

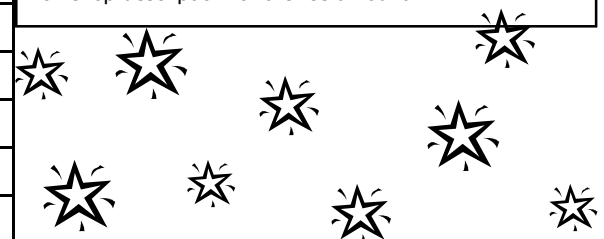

Please note that the North Atlantic Girl Scouts Annual Training Conference brochure for USAGSO Locations differs in some ways from the brochure distributed for NORAGS served locations. This was to provide better information for USAGSO participants.

Throughout the brochure you will note that the dates listed for the conference are 14-17 March 2002. These are the dates for the NORAGS conference. USAGSO participant dates for the conference are **13-17 March 2002**. These dates encompass the USAGSO Workshop being conducted on the evening of 13 March and the morning of 14 March. This allows for easy flow into the beginning of the NORAGS conference.

Accommodations for participants, spouse and children include arrival on 13 March with departure on 17 March. If you need additional accommodations for earlier arrival or later departure you must contact the hotel directly to make those arrangements and must pay those fees directly to the hotel.

Assignments for workshops not received in your confirmation packet will only be made upon check in to the conference. Register early and select at least 3 choices as requested for each day and time period! * Additional Fee Workshop—for specific amount check the workshop description for the fee amount.
